

# **NOTICE OF PUBLIC MEETING**

## **Flood Early Warning System for San Jacinto County**

The San Jacinto River Authority (SJRA) will hold the first of three planned public meetings to present the Flood Early Warning System for San Jacinto County project (the "Project") on Wednesday, September 1, 2021, at 6:00 p.m., at the San Jacinto County Shelter located at 225 Live Oak St. Coldspring, TX 77331.

The Project will provide early warning notification to San Jacinto County residents, businesses, property owners, etc., downstream of the gage locations, as well as County emergency personnel and responders, protecting life and allowing protection of property which can be moved to a safe location with adequate warning. The Project is anticipated to be completed by the end of 2022 and will include the installation of three rain/stream gages located near Winters Bayou at State Highway 150, Peach Creek at Farm-to-Market (FM) 3081, and East Fork San Jacinto River at FM 945. The Project is being funded by the Texas Water Development Board (TWDB) and SJRA.

Questions or requests for additional information may be directed to Mr. Matt Barrett, P.E., Flood Management Division Manager, SJRA, 1577 Dam Site Road, Conroe, Montgomery County, Texas 77304, Tel. (936) 588-3111. Persons who intend to participate in the meeting and express their views are invited to contact Mr. Barrett either in writing or by telephone in advance of the meeting. Any interested persons unable to attend the meeting may submit their views to Mr. Barrett prior to Wednesday, August 25, 2021 or participate remotely via livestream from the SJRA Facebook page.
